

SPECIALIST GROUPS LINKS

If you accept to design the 7 link pages this is the final link text for the last one that Ive just worked on

I had sent it to Alex yesterday but feel it would be better done in a uniform design by your team ok

‘Thanks:

Hi Al

Here is the new page I need created

TOOL BAR LINK = SPECIALIST NETWORKS – TO LINK TO THE BELOW PAGE

FSFSWAN Specialist Networks Available

To foster increased cross-network business opportunities within our global ecosystem, we have established specialized mini groups where our forwarders with expertise in specific sectors collaborate to deliver comprehensive, end-to-end professional services tailored to their clients' requirements (which are free to join for FSFSWAN Members)
