MAURITANIA

I have had the pleasure of contributing to FSFSWAN 's mission for over twelve years now.

FSFSWAN is important to me because it has fostered a culture of innovation and collaboration, allowing me to grow professionally while contributing to meaningful projects and this has made FSFSWAN an incredibly rewarding Network.

Khalil Chouaib – Operations Manager

PAKISTAN

We have been members since 2016 and proud of our association with FSFNWAN! A unique network with focus on fostering new collaborations, sharing insights and discoursing latest advancements in our industry. Backed with a dynamic commitment to excellence and innovation what truly makes the partners standout. Target Logistics time with FSFNWAN has been productive and inspiring, paving the way for continuous growth and success.

Been a member with Fivestar network for over 3 years and I must say my experience with this network has been fantastic. A small network with Fair membership rate, limited members and close network opportunities, Friendly people and most importantly the man himself Mr.Bob who is always very pleasant, very positive and happy to help attitude. Given the network size, business opportunities are high but depends on the market you are handling too.

BULGERIA MIREKS

FSFSWAN is important to me and my company for many reasons. But first of all is the sense of community that we build during the years.

The three networks has an amazing and very responsible members, and sharing business is very easy.

Being part of FSFSWAN is valuable to us because it strengthens our global reach and connects us with reliable, professional partners. It allows us to share expertise, improve service quality, and create new opportunities for collaboration. Through the network, we can offer our customers more efficient, trusted, and competitive logistics solutions.

The support, shared experience, and problem-solving between members help us overcome challenges and achieve success together.

Together, we can strengthen our services and support each other's growth.

BRAZIL TAG CARGO

TAG Cargo has been a member of FSFSWAN since 2015, practically since the beginning of our journey. The network has been essential for the company's international expansion, strengthening our partnerships, connecting us with other freight forwarders, expanding our global presence, and opening doors to new business opportunities. Being part of FSFSWAN means counting on a solid, collaborative community committed to excellence in international trade.

Ana Caroline – TAG Cargo - Brazil

MALAYSIA SHIMETSU

We have been the member of PFI Network since 2010

I am amazed by the network's commitment, dedication, passion and mutual support facilitated by the members.

I was always impressed by the annual AGM event where I meet old and new friends every year who turn out to be my best reliable business partners.

Since 2010 my flawless AGM attendance record achievement has built a positive reputation and resulted to be nominated to host Two conferences 2013 and 2019 in Penang. Both conferences were highly successful, surpassing all anticipated outcomes.

I highly recommend the FSFSWAN Network to anyone looking to expand their business in the international logistic industry. FSFSWAN platform brings together all leading logistic expertise fostering a family kind of collaborative environment sharing all logistic insights resources.
