### **AGM (2025) - MESSAGE FROM HOSTS UNIFREC GREECE**

Organizing the Five Star 3rd Annual Meeting in Athens filled us with a deep sense of joy from start to finish.

Seeing people from different places and backgrounds come together—sharing ideas, forming new connections, and strengthening existing bonds—was truly uplifting.

Athens provided the perfect backdrop for this energy: a city where conversation flows easily and inspiration feels ever-present. The laughter in the hallways,

the meaningful exchanges, the spark of new collaborations—these moments reminded us why we gather each year.

More than an event, it became a celebration of community, friendship, and the power of coming together.

Katerina Areti – CEO – Unifrec – Greece

Id like them reposted on the new site please, I think I already named it to you under the link as either AGM or Events

I will also request some other general testimonials about the network in general from our longest serving members and send them to you

I guess we shall put those (once received) under – “what our Members say” ....something like that but happy to receive your suggestions too

So on these are you ok to receive (for example) a short informative text like the below and a photo in jpg / png / gif format for each one?

### **AGM Testimonials & Stories**

Below is a list of testimonials from attendees of the 2025 Super AGM held in Athens, Greece.

**Hi Bob,**

**After missing out on Sri Lanka last year, it felt amazing to be back for the 3rd Super AGM in Athens! Huge credit to UNIFREC for pulling off such a well-organized and welcoming event. From the moment we arrived, it was clear that this wasn't just another freight network gathering, it felt like a reunion of family and friends. The opportunity to reconnect with fellow professionals, explore new business opportunities, and share insights in such a vibrant setting was invaluable. But what truly set this event apart were the smiles, the laughter, and the genuine camaraderie that filled every room. These are the moments that stay with you long after the event ends. A heartfelt thank you to Bob for allowing Key Cargo to be a part of this incredible network. We're proud to be members of this amazing group. And to UNIFREC and the entire team behind this unforgettable AGM, THANK YOU for your warmth, your hospitality, and your tireless efforts.**
